Launchpad Platform
on
Aptos Ecosystem

What is APTOPAD?

AptoPad is the best decentralized launchpad on the Aptos Network. With Aptos building the safest and most scalable Layer 1 blockchain for the million users, AptoPad is engineered from the ground up to empower Aptos project owners, by offering a strategized token launch experience with customized launch model, time period, accepted token types and auction algorithms. AptoPad only succeeds if our launchpad projects succeed.

APTOPAD

01

What is APTOPAD?

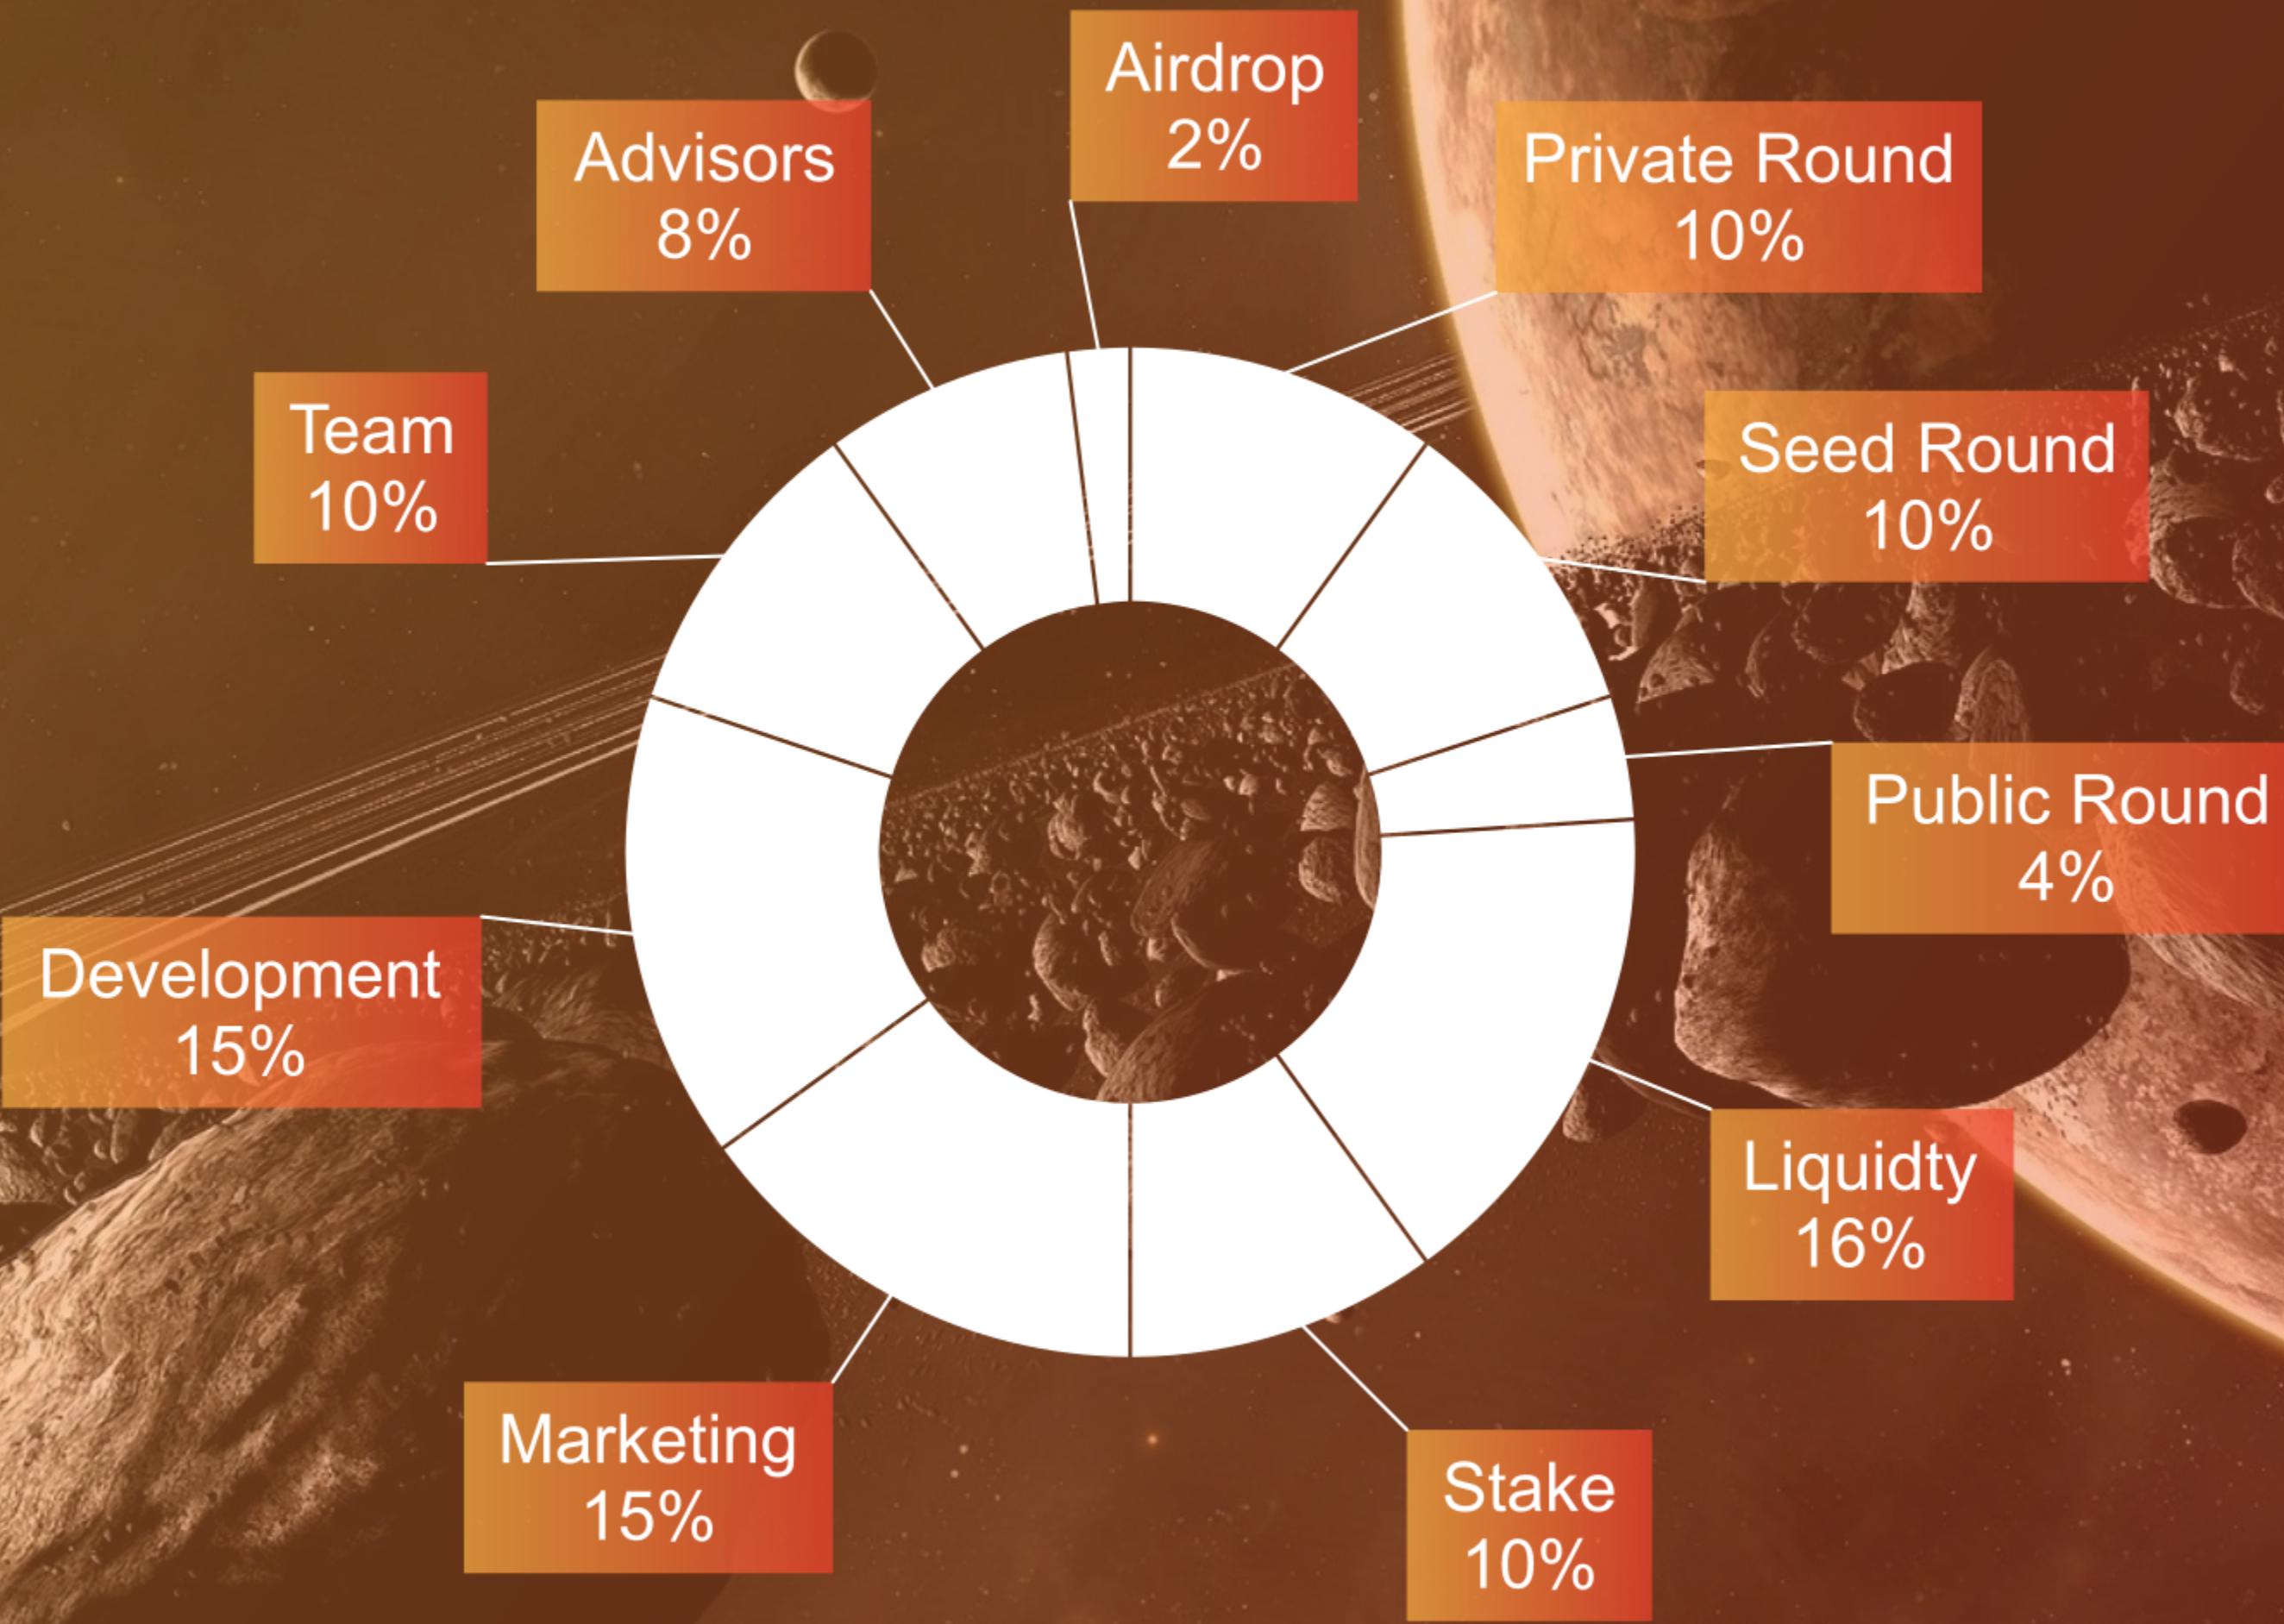

The AptoPad will protect the investors and keep refund right for investors. Refund will be processed for all the investors if the market price at TGE drops below ido price with 2 hours of listing. Additionally, investors can opt for refund within the first 2 hours of token claiming time. Refund will be processed only for the investors who return back the distributed tokens within the stipulated 2 hours claim time.
